Ruby Bridges Fifth Graders
With Special Guest, Civil Rights Icon, Ms. Ruby Bridges!

For the past seven years, Ruby Bridges fifth graders have attended a 3-day, 2-night outdoor education experience in the Santa Cruz Mountains. Here, they learn about ecology and nature, wildlife and the environment. They leave with new self-confidence and self-reliance, skills that are essential for success in middle school. For many of our students, this is the first time they've ventured away from home on their own.

WE NEED TO RAISE $25,000 FOR THIS YEAR'S TRIP ON MARCH 22-24, 2016!

Kofman Auditorium seats 1,000 people, and we want to fill up all of the seats to show our deep appreciation for OIGC's steadfast commitment to our school, and the community's support for our students. **If the concert were sold out, we could raise $15,000 (minus concert production costs).** Complete the order form below for your tickets and enclose payment. Tickets can also be purchased at the school office or through email: hfigueroa@alameda.k12.ca.us. You may also mail donations to Ruby Bridges Science Camp at 351 Jack London Ave. Alameda, CA 94501 (include self-addressed, stamped envelope if you would like your tickets sent to you.)
