WHAT IS ZOOCAMP?
ZooCamp is an exciting week of animal adventure, nature discovery, and fun for children (pre-K through high school). Programs are designed so campers can spend one, two, or three weeks at the Zoo without repeating activities. Register for multiple weeks and receive a discount. Before-and after-care options are available.

ZooCamps are June – August, 9:00am – 4:00pm:
• Member registration begins March 10, 2014
• Non-member registration begins March 17, 2014

We also offer ZooCamp during most school breaks: Thanksgiving, winter break, and spring break.

Register online at oaklandzoo.org or call (510) 632-9525, ext 280

ZOOCAMP DATES
www.oaklandzoo.org
(look under “Education & Programs”)

TEDDY BEAR TEA PARTY
It’s tea time at Oakland Zoo for you, your child and a favorite Teddy bear! Enjoy a morning of snacks, bear-themed activities, and fun stories about bears. Create an enrichment gift for the zoo’s very own sun bears, and watch them enjoy their special tea-time treat. When the fun is done, your child will get a special thank you present.

Coming Soon...Teddy Bear Tea with Friends, where each time you’ll learn about a different zoo animal. Lions and tigers and ---baboons?! Oh My!

ZOOKIE NIGHTS
Is your family ready for a nocturnal experience? Put on your jammies and enjoy an evening of animal close-ups and a bonus Zoovie movie. Bring pillows, blankets, and chairs, and snuggle up in our auditorium as Roosevelt, our costumed mascot, introduces you to some of Oakland Zoo’s education animals. After that, enjoy a specially-selected animal-or nature-themed movie.

ZOOKIDS
Is your little one ready to learn more about animals and have an independent experience at the zoo? ZooKIDS is a series of weekend classes for children ages 4-5. Each class includes touring part of the zoo, making a craft, meeting small animals up-close, and a snack. With a different topic offered each month, ZooKIDS is a great way for our younger visitors to connect with wildlife.
